## Daisy's Destruction

2020. Nov 2, 2019 The creator of a dark web video known as Daisy's Destruction that featured 3 adults torturing an infant has been sentenced to life in prison. Peter Gerard Scully was found guilty of one count of child pornography. History The film was originally uploaded in 2012 to Youku, a Chinese video-sharing website known for its controversial content. On July 20, 2019, Redtube deleted 10 videos depicting child rape, produced by the Daisy's Destruction website. The video was featured on a September 2012 episode of Child Predator Alert, which examines pedophilia. Screenshots of the videos were first posted online in 2016. On October 5, 2019, Peter Gerard Scully was arrested after being indicted by a federal grand jury on four counts of distribution of child pornography. Summary of the video The video depicts three adults torturing an infant girl Daisy by hitting her on her head with an ashtray, tossing her in the air, pushing her into a wall, and pulling off her sweatshirt. Reaction to the video The videos received negative reaction from Internet users. Many, including Anti-Child Porn, believed that the parents of the child involved should be charged. The latter called the video "one of the most horrific videos they have ever seen" and claimed that Daisy was a young girl while the video depicted pedophilia. Some of the other comments against the video include: "Karma is a bitch." "Scully, you disgusting piece of shit, what the fuck did you do to that little girl? That's just sickening! She was a baby! A fucking baby! What a sick fuck you are. I hope you rot and die in your own filth and vomit." "I look at it as an opportunity to make your piece of shit life a living hell." "You should feel so special every time your son looks at you with those loving and compassionate eyes, and then he realizes that you're a sick, fucking monster, and you made him watch his mother being raped and tortured by a bunch of perverted monsters. You're a fucking monster!" Scully has received death threats since being
